

How to Order Your ATM Paper Rolls from Paper Systems Incorporated (PSI):

Using the Affinity Program pricing found on appropriate tab after following the link on the NAC website to our special NAC Affinity Program Pricing page, members can order their ATM roll supplies by including the pass code Affinity 123 on all orders in the space provided (labeled “Pass Code”). The pass code enables PSI to identify the orders as coming from NAC members and to track sales under the PSI Affinity Program. Orders may be placed by:

- 1) Emailing customerservice@papersystems.com identifying yourself as a NAC member (use Pass Word) to receive the special pricing. Please order by stock #; OR-**
- 2) Faxing your order to 888-329-9774.**
- 3) Calling PSI Customer Service at 888-564-6774 and pressing “1” for Customer Service.**

Paper Systems Incorporated

185 S. Pioneer Boulevard, P.O. Box 150, Springboro, OH 45066
Phone: (937) 746-6841 or (888) 465-9951 Fax: (937) 746-1089

NAC members can be set up as open account or pay by credit card. Customer Service will provide the account set up information needed to open your account. When requesting an open account, please first call PSI Customer Service, and allow at least one week for open account status review of your references and banking information.

Shipping time- Please allow 48 hours for all orders of 50 cases or less that are for one of the seven most popular ATM paper types shown at the top of the Affinity Program Pricing spreadsheet. Orders over 50 cases will ship in 5-7 business days.

**** You may experience some added lead time on the processing/delivery of your initial order, as PSI adjusts on the front end to the new inventory requirements associated with implementing the NAC Affinity Program.**
